Dedication to Coach Robert Nichols

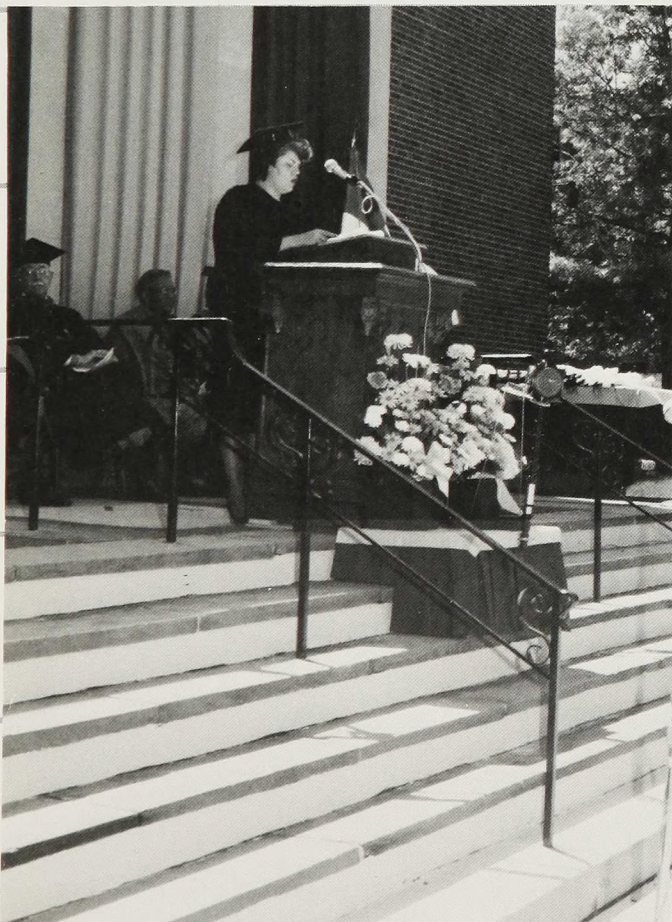

The 1985 issue of Saga is being dedicated to Coach Robert Nichols because of his enthusiasm and understanding not only to the players he coaches but also to the students of Bloomfield College. Coach Nichols represents strength, leadership and confidence. Mr. Robert Nichols is known to everyone on the college campus as "Coach." He has been through the good and the bad times with his players and he's been through the overtime pressures of a game. He has also helped students learn to deal with both winning and losing. The Coach's sense of love is felt by all and we would like to thank him for his 30+ years of dedicated service to Bloomfield College and hope his success continues because life on campus would not be the same without him.

We love you Coach!
